Please remain seated

Home entertainment has many sources – DVD player, set top box, HDTV sat receiver, game consoles, or the like. Your HDTV-set or beamer usually offers only one or two HDMI inputs. The ICY BOX HDMI switch IB-HD 141 brings an end to the annoying plugging and unplugging. It has inputs for four sources. You select via remote control, directly or by scrolling – comfortably seated on your couch or easy chair or ...
